

## Division 1: Week of: Apr. 14-17

### MS Team Schedule for the Week:

Community Circle will be a time for the whole class to have a live chat. It would be great to have as many people join the meeting as possible. You will see it posted on our General Chat feed and invitation to join. (Just Tuesday's is there for now) You just need to hit "Join" just before the time of the meeting. "Ham Time" is kind of like my office hours for the week. I will be online in MS Teams, you can join me if you'd like. I can connect with you if you would like to say hello and can also answer any questions or help you with your work. Generally speaking, if you look at my picture and if there is a green circle, it means I am available. Feel ask me questions via chat or you can even call me for a video chat. You are welcome to ask me questions anytime, but you may need to wait for an answer if I am not available. I will not be available on the weekends.

| Monday  | Tuesday                  | Wednesday                       | Thursday                          | Friday                    |
|---------|--------------------------|---------------------------------|-----------------------------------|---------------------------|
| Holiday | Community Circle<br>1:00 | Ham Time (drop-in)<br>1:30-2:30 | Ham Time (drop-in)<br>10:00-11:00 | Community Circle<br>10:00 |

### Miss Ham's Weekly Menu

You need to make the learning work for you. Choose any number of the activities below. You can do as many as you want in a week, you can change anything you don't like about a menu item, and can share your learning my emailing me, sharing on MS Teams, or share on KidBlog.

#### Core Competencies: Personal / Social

Some I can Statements that apply this week:

- I can sometimes recognize my emotions
- I can make choices that help me meet my wants, needs and increase my feeling of well-being
- I can identify how my life experiences have contributed to who I am
- In familiar settings, I can interact with others and my surroundings respectfully
- I can take purposeful action to support others

First People's Principles of Learning that apply this week:

- Learning involves Patience and time
- Learning ultimately supports the well-being of the self, the family, the community, the land, the spirits, and the ancestors

#### Literacy Activities

(These do not have to be done online- feel free to do by hand and then send a picture, if you'd like)

- **Read** every day! Choose a new square from Reader's Response Tic-Tac-Toe A. Just need to do ONE this week and you can choose any one you want. (list is attached and posted on Kidblog and MS Teams)

#### Numeracy Activities

Without Online access:

- **Geometry**- Attached are some worksheets on Area of Rectangle /Triangle (Gr. 6's) and Circles (Gr. 7). These should be fillable forms.

#### Social Emotional Learning

- **Live Community Circle on MS Teams:** You will notice an invitation on our MS Teams page for a Teams meeting on Tuesday, April 14<sup>th</sup> at 1:00. If you are able to join that would be great! Just click Join Meeting at 1:00. We will have another meeting Friday at 10:00am.

- **Journal:** Self- Isolation Journal: Complete Entry #2 (Instruction sheet attached and posted on KidBlog and MS Teams)
- **Personal Response:** Write a response to the Reach Out Task. What did you do? Who did you contact each day? How did it make you feel? How can what you did make a difference?

- **Numeracy Task-** Attached are some challenge Problems to do if you cannot go online
- With Online access:
- **Play Math Prodigy** (I have set you up with a new topic this week on Geometry unit on Perimeter/Area)
  - **Khan Academy.** Login to Khan Academy and create an account. Use the class code to join Miss Ham's class:  
Grade 6's use code: FVFF4PQ5  
Grade 7's use code: FPZDDDUW

- **Reach Out Task:** Some people are self-isolating with many family members, some people are self-isolating on their own.. both have challenges. Reaching out and checking in with people makes others and yourself feel better. So this week, reach out to someone new each day. Maybe even reach out to a classmate you don't normally connect with outside of school!

## Extension /Other Activities / Resources

### General Resources:

- This website has some Real World Learning Tasks that you can do with your families: <https://www.epsbtogether.ca/activities/>

### Math Extension Tasks

- Attached you will find a Geometry Choice Board. If you are wanting to extend your learning, try some of these tasks

### Reading/Digital Books:

- Audible is posting free audio books for children/teens right now! They have a decent selection here: <https://stories.audible.com/discovery>
- Scribd is usually a monthly paid program but they are currently giving out a 30 day trial without having to sign up with a credit card. They have some fabulous e-books and audio books [https://www.scribd.com/readfree?utm\\_source=readfree](https://www.scribd.com/readfree?utm_source=readfree)
- Check out the Queensbury Library page on the school website—Ms. Rittich has put resources there [https://www.sd44.ca/school/queensbury/ProgramsServices/Library/Pages/default.aspx#/=](https://www.sd44.ca/school/queensbury/ProgramsServices/Library/Pages/default.aspx#/)

### Physical Activity Resources.

I strongly recommend that you do some physical activity every day; right now the weather is gorgeous so you can go outside, but if you are looking for some other activities to do here are some websites to check out.

- Cosmic Yoga: <https://www.youtube.com/user/CosmicKidsYoga>
- Go Noodle: <https://www.gonoodle.com/good-energy-at-home-kids-games-and-videos/>
- Groove3Dance Mini-workouts: <https://www.youtube.com/playlist?list=PLC2C841486EB885F1>
- PE with Joe: <https://www.youtube.com/playlist?list=PLYCLoPd4VxBvQafyve889qVcPxYEjdSTI>
